

## **FISCAL NOTE**

TO: Chief Clerk of the Senate  
Chief Clerk of the House

FROM: James A. Davenport, Executive Director

DATE: February 7, 1996

SUBJECT: **HB 2388**

This bill, if enacted, will direct the Department of Conservation to acquire Dale Hollow Lake and all surrounding real property currently under the jurisdiction of the U. S. Corps of Engineers, if the U. S. Government attempts to sell such property.

The fiscal impact from enactment of this bill is estimated to be an increase in state expenditures to the extent the U.S. Government attempts to sell Dale Hollow Lake and all surrounding real property, and the state purchases such property. A reasonable estimate of the increase cannot be determined but is estimated to exceed \$100,000,000.

This is to duly certify that the information contained herein is true and correct to the best of my knowledge.

James A. Davenport, Executive Director
